

Call for Interest/Participation in a PMRC 2023 Pre-Conference Workshop Proposal on Law and Public Management

Interested in the nexus of law and public management? I'm proposing a pre-conference workshop session on the law-public management/policy nexus and am looking for potential participants from all over the world. The overall objective is to raise law's prominence (research, teaching, practice) in Public Administration. This could include identifying working group(s) on law and PA, articulating a research/teaching agenda, coauthored paper(s), an edited volume of some variety, etc. Multiple other objectives are possible and are somewhat dependent on participants. Relevant "law and PA" topics include, but are not limited to: social equity and representation, ethics, comparative approaches, regulatory law, judges as public managers, executive law, HR, ethics, etc. If accepted, the pre-conference workshops are scheduled to take place June 27, 2023 at [PMRC: The Public Management Research Conference](#), hosted at Utrecht Netherlands. If you are interested, would you please (1) respond to this [survey](https://forms.gle/Sr7drkjFZfABqFYR6) (<https://forms.gle/Sr7drkjFZfABqFYR6>) and (2) forward this invite to anyone I may have missed.
